

## **Staff Grade Physiotherapist (Neurology/Neuro-Re-Habilitation)**

**Location:** Dublin, Ireland

**Salary:** Referenced to the HSE Consolidated Salary Scales

**Employment Type:** FT/PT (Mon-Fri)

### **Join an Innovative Neurological Rehabilitation Team**

Are you a passionate physiotherapist looking to advance your career while making a meaningful impact? The **An Saol Foundation**, a Section 39 registered charity, is seeking a dedicated Staff Grade Physiotherapist to join our pioneering neurological rehabilitation and habilitation centre. Our Centre is Ireland's first of its kind, offering long-term rehabilitation and habilitation for individuals with severe Acquired Brain Injuries (sABI).

---

#### **Why Join The An Saol Foundation?**

- **State-of-the-Art Facilities:** Work with cutting-edge therapy equipment, including robot-assisted gait training, functional NMES, NeuroGym.
- **Varied Case Load:** Regular client hours combining (re-)habilitation with physical activity and health promotion. Student/Intern education.
- **Collaborative Team:** Be part of a multidisciplinary team committed to transforming lives.
- **Continuous Development:** Access ongoing professional development opportunities and research partnerships.
- **Human Rights-Based Care:** Work in a client-centred environment that prioritises dignity, independence, and innovation.

---

#### **Your Role**

As a Staff Grade Physiotherapist, you will:

- Conduct comprehensive assessments and develop personalised rehabilitation programmes for clients with neurological needs.
- Implement therapeutic interventions to improve mobility, function, and quality of life.
- Support clients with cognitive and physical challenges, using a variety of evidence-based techniques.
- Collaborate closely with the multidisciplinary team, families, and carers to ensure holistic care.
- Contribute to case discussions and quality improvement initiatives.
- Participate in in-service training and development programmes.

---

#### **What We're Looking For**

- **Qualifications:** Degree in Physiotherapy (or equivalent) and CORU registration or S91 CORU Application in process. You must be legally entitled to live and work in Ireland.
- **Experience:** Some experience in neurology or rehabilitation is desirable but not essential.
- **Skills:** Strong communication, teamwork, and organisational abilities, demonstrating initiative, drive, creativity, and innovation.
- **Mindset:** A client-centred approach with adaptability, patience, and a desire to learn.

---

#### **About The An Saol Foundation**

Founded by the family of Pádraig Schaler, the **An Saol Foundation** is a Section 39 registered charity dedicated to providing lifelong rehabilitation and habilitation for individuals with sABI. Our services are nationally recognised for innovation and excellence in long-term disability care.

---

#### **How to Apply**

Submit your CV and a cover letter detailing your experience and enthusiasm for this role to [positions@ansaol.ie](mailto:positions@ansaol.ie) by **16 March 2025**. Please use the subject line: **Staff Grade Physiotherapy Position**.

We are committed to fostering an inclusive environment where innovation and compassion meet to change lives.
